Choosing a Winner:

12. There will be 1 lucky winner of each prize draw. For each prize draw, there will be one holiday prize, as detailed below.

13. Each entrant of a prize draw will have their total number of entries won throughout the Prize Draw Period added to the relevant prize draw pot and of those entries, the winner of each prize draw will be randomly selected through a computer-generated process.
14. The winners of the 4 prize draws will be notified via email or using the other contact details provided to us within 7 days after the closing time for the prize draws. We will try our best to contact the winners during the specified time. If a winner cannot be contacted or is not available or has not claimed their prize by the date specified or forfeits their prize, we reserve the right to select another winner from the valid/correct entries that were received. The winner of each prize draw will be required to confirm acceptance of their prize within 7 days of being notified. Winners must have a valid email address to claim their prize. Winners of the vouchers will be notified immediately upon winning by a code being displayed on the screen following the win; they will also receive an email confirmation with the code.
15. We will send the holiday prize draw winners an email asking for further details about them to publicise the win. If we do not receive a response, for transparency, we will generally publish the first name and county of prize winners online. However, if you are a winner and you object to us doing this or would like us to reduce the amount of information we publish, then please let us know when claiming your prize.
