How to enter:

3. To enter the prize draw you must download the Jet2 app, then use your email address to register on the "Stack for Sunshine" screen, found on the app home page or on the offers page.
4. Each entrant will be given 6 coins per day and to enter the prize draw once, you will need to use one coin. Coins will be refreshed at midnight throughout the Prize Draw Period to bring the total back up to 6 coins if any coins had been used the day before.
5. Once you have used a coin to enter, you should interact with the animation sequence by tapping the screen when you want to drop part of the Greek column. The animation will start with a counter along the bottom where you need to tap the spot you wish to drop the base of the column. The counter will then continue to pan across the screen each time you are to drop part of the column. The aim is to stack as many column pieces as possible without them falling.
6. If the parts of the column fall, the consequence is a lower score. The closer the column is to being stacked perfectly in line with the previous piece, the higher your score will be.
7. Your score equates to the number of entries you get, so the higher the score, the more entries you will receive into the prize draw.
8. There will be opportunities throughout the prize draw to gain more coins and entries by interacting with posts on our Jet2holidays social media pages. Instructions on how to do this will be written into the comments of each post (Facebook, X & Instagram).
9. Each entrant will receive a unique share code found within the app interface. This can be shared with other entrants to gain additional coins. 3 additional coins will be added to an entrant's account who shares a code if it is redeemed by another entrant. An entrant redeeming a code shared by another entrant will also receive 3 coins upon the redemption of the share code.
