1. This prize draw opens at 09:00 on 20th August 2026 and closes at 23:59 on 27th August 2026. Entrants to this prize draw must be myJet2 members logged into myJet2 on the Jet2 app, residents of the UK, the Channel Islands or the Isle of Man and must be aged 18 years or over. Employees and officers of Jet2holidays Limited, Jet2.com Limited, Jet2 plc, employees and officers of Mitchells & Butlers plc or any companies within the same group or any organisation professionally involved with the prize draw (or in each case, their close relatives) are not eligible to enter. Entrants can enter the prize draw an unlimited number of times within the campaign live period, when they have available spins to use and are not in a 'cooldown' period.

How to enter:

2. Jet2 will host a landing page in the Jet2 app.
3. To enter this prize draw you must log onto myJet2 within the Jet2 app and click to enter the prize draw by following the relevant URL and enter your details before the closing time and date detailed in paragraph 1 above.
4. Then use your email address (and optional phone number) associated with your myJet2 account to register on the "Spin for Sun" screen, which can be found on the Jet2 App homepage or myJet2Perks page. After completing the registration, you will need to spin the wheel.
5. You will be provided with three coins after registering for Spin for Sun and shall be provided with additional coins each day throughout the Promotional Period to top up the number of coins available to a total of three coins. For example, if you have one coin remaining from the previous day, you will be provided with an additional two coins the next day.
6. Entrants can gain additional coins in the following ways:
 - (a) Spinning the wheel and landing on the free coin segment (+1 coin)
 - (b) By redeeming another player's share code (+1 coin). (Information on how this works outlined below in points 7 & 8).
 - (c) By another player redeeming your share code (+3 coins) (Information on how this works outlined below in points 7 & 8).
7. Each entrant will have a unique share code displayed alongside the cooldown timer found in the 'Share' function. The cooldown timer indicates the countdown until the next day when an entrant's coins are topped up (as outlined in point 5 above). One way to receive additional coins before the timer ends is by sharing a code with another entrant, which is then redeemed by that other entrant.
8. When another entrant redeems the code (as outlined in point 7 above), the original entrant will gain +3 coins.
